Dear Oklahoma Conservation Commission:

On behalf of the County of Latimer, I am writing to request your assistance in securing a state matching grant under the Oklahoma Unpaved Roads Program. Proceeds from the \$ 40,139.61 grant, if awarded, will be used for the following project, as outlined in the enclosed application:

Replace existing wooden deck bridge with pre cast concrete boxes and construct wing walls. Provide for proper drainage. Install rip rap to prevent erosion on NE 1095th ( Johnston Rd)

I designate myself, Commissioner of Latimer County, District 3 as the person ultimately responsible for the administration of the state grant, if awarded. Project funds from all sources will be expended through a fund established on the books of the county of Latimer, and all project expenditures with invoices and cancelled checks attached, in addition to copies of all application materials, will remain on file in the County Commissioner's office for three years or until audited (whichever is later), to assure that funds were used for the purposes for which they were made available.
